God saw you getting tired, and a cure was not to be. So, he put his arms around you and whispered "come to me" with tearful eye's we watched you, and as you pass away, although we loved you dearly; we couldn't make you stay. A golden heart stopped beating, a weary body finally at rest; God broke our hearts and forever changed to prove to us, he only takes the best.

Your loving  
Family
