Blood Brudda ❤️

You gave no one a last farewell, nor ever said goodbye
You were gone before we knew it and only god knows why
A million times we will miss you
A million times we will cry
If love alone could have saved you, you never would have died
In life we loved you dearly
In death we love you still
In our hearts you hold a place, no one else can fill
It broke our hearts to lose you
But you didn't go alone
For part of us went with you the day god took you home
We will meet again someday,
I know you in a better place
I thank god he made you our brother
while you were here on this earth
October 6 will never be the same because
that's the day I was born & your Wings were gained
We love you forever and ever

~Destiny Goff
