Obituary

Edna Maud McDonald (Mappy), born on March 6, 1924, she hails from the parish of Manshioneal, Portland in the beautiful Sunny Island of Jamaica. Edna was the last of 3 siblings to depart from this world on October 13, 2021.

Edna lived in England for a number of years. while living in England she went to school to pursue her Nursing studies and became a RN in charge of the surgical Unit in London before returning to Jamaica, she then emigrated to the United States where she resides in the Bronx for many years, after getting ill Edna Maud McDonald was admitted to Beth Abraham Centers Health where she would have spent her final few years before her departure.

Edna was first welcomed on 2BR then transferred to 5BR where the staff all loved and cared for her. She got the love and family especially on 5BR where Nelson-Clarke begins to take special care of her and while doing so Campbell Smith, Cordia Levy Gordon, Tention, Dale, Walters, Norma, Ozua, Norma, Mr. Charles and Jacqueline Ellis all the staff begin to treat Edna as a special woman. Shirley and Millie were also a part of Edna's life, they would both go and spend time with her in the facility when they were able to.

Edna was a very outgoing, intelligent and strict individual, she enjoyed church and dressing in the most expensive clothing. When she dressed all heads turned especially in her high heeled shoes, Edna was always encouraging others and when in a good mood she would pray for others and if not she would make jokes and as you started laughing you could stay down an hallway and hear her laughing out loud. On a good day, Edna will reminisce about things of the past. While in her discussion if interrupted she may beckoned to Nelson and ask her to go into the house to get her machete so she could chop up someone, which oftentimes brings some laughter on the unit where she spent her last few years.

Edna Maud McDonald-Mapp will be missed, left behind are nieces Norma, Valerie and Pamela, Nephews: Willcliff, Donovan, Patrick, grand nieces, grand nephews and many many other relatives too numerous to mention.

May she Sleep in Peace until the next trumpet sound, Sleep in peace "Mappy" .

Rest Safely In His Care

**There are many things in life
That we do not understand
But we must trust God's judgment
And be guided by His hand,
And all who have God's blessing
Can rest safely in His care,
For he promises safe passage
On the wings of faith and prayer.
