Never Would Have Made It
(Instrumental)

There's A Reason

For every pain that we must bear
For every burden, every care
There is a reason.

For every grief that bows the head
For every tear drop that is shed
There is a reason.

For every hurt, for every plight
For every lonely, pain-racked night,
There is a reason.

But if we trust God, as we should
It will all turn out for our good
He knows the reason.
