Obituary

Jacqueline and Alford Chambers welcomed a beautiful baby girl into the world on February 21, 1992 at Albert Einstein hospital in the Bronx, New York. They named her Khloee Lauren Chambers.

Khloee's evolution and transformation in life was remarkable as noted by her family and friends.

Khloee started her education at 18 months and continued on to complete high school and received her diploma from "8-11X", The Academy for Career and Living Skills.

Khloee loved so many avenues of life; good food, travel, Broadway Shows, Clubs, dancing, her American and Jamaican roots and all kinds of music. She also loved to swim at camp and cruised to Disney's private island in the Bahamas.

Khloee Lauren was a Pearls Ambassador, chosen by Rick Giandatti, founder of POSITIVE EXPOSURE, a prestigious charitable organization which promotes a more inclusive world through award-winning photography, films, exhibitions, lectures and educational programs. As an Ambassador, Khloee's picture hangs in the halls of the studio to this day.

Some people find it hard to express themselves. Though Khloee was non-verbal, her smile, her warm heart and cheerful essence conveyed an undeniable love that left her mark on anyone who was blessed by her presence.

A fashionista! Khloee was always dressed to the 9's! You'd be hard pressed to try to out dress Khloee. A bit of a flirt. She captured the hearts but always respect of her boyfriends and warm friendships

with everyone at her adult program. In her 29 years, Khloee Lauren's achievements were miraculous. We all, can take a few pages out of the book of Khloee Lauren Chamber's, remarkable life.

Khloee leaves to mourn her passing,

Her phenomenally attentive, and adoring Mother and best friend in the world, Jacqueline Chambers, her loyal and loving Father Alford D. Chambers, and his supportive wife, Shirley Chambers.

Memories

Heaven Has Gained An Angel

As you complete this temporary journey
you have embraced our hearts
Yes we mourn but realize this is where your life
truly starts your smile sparkled greater
than silver and gold We're willing to let go of
your hand so that God can grab hold . We will
always love you as you have continued to love us
all we ask now is that you look down while you
are above us we are grateful that God put us in
the midst of your presence we breathe with your
memory and walk with your essence. The Lord is
our Shepherd He tends to us as sheep and mends
the hearts that are weak until one day we can
shake his hand and sit at his feet we don't think of
you as a loss to our family that remains We
cherish you as a beautiful angel that heaven has gained!
