# *Look for Me in The Rainbows*

Time for me to go now, i won't say goodbye look for me in the rainbows, way up in the sky. In the morning sunshine when all the world is new, look for me and love me as you know I loved you. Time for me to go now, I won't say goodbye, Look for me in the rainbows , High up in the sky. In the evening sunset, when all the world is thorough, just look for and love me and I will be close to you. It won't be forever the day will come and then my loving arms will hold you when we meet again. Time for us to part now , we won't say goodbye, look for me in the rainbows, shining in the sky, every waking moment and all your whole life through, just look for me and love me as you know I loved you.
