

I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God has chosen for me.
I took his hand when I heard him call;
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way;
I've now found peace at the end of day.
If my parting has left a void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss;
Oh yes, these things, I too will miss.
Be not burdened with times of sorrow
Look for the sunshine of tomorrow.
My life's been full, I savored much;
Good friends, good times, a loved ones touch.
Perhaps my time seems all to brief;
Don't lengthen your pain with undue grief.
Lift up your heart and peace to thee,
God wanted me now-He set me free.*

His Journey's Just Begun

Don't think of him as gone away
his journey's just begun,
life holds so many facets
this earth is only one.

Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.

Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.

And think of him as living
in the hearts of those he touched...
for nothing loved is ever lost
and he was loved so much.

We Miss you Brother!

IN MEMORY OF A SPECIAL

Son

It's sometimes hard to know
why some things happen as they do
for so much *joy and happiness*
was centered around you

It seems so hard to comprehend
that you're no longer here
but all the *happy memories*
will help to keep you near

You're thought about with *pride*, Son
with each mention of your name
death cannot change a single thing
the *love* will still remain

*Love with All of my Heart,
Your Mother*

... Dad ...

*If I could write a story
It would be the greatest ever told
Of a kind and loving Dad
Who had a heart of gold
I could write a million pages
But still be unable to say, just how
Much I love and miss him
Every single day
I will remember all he taught me
I'm hurt but won't be sad
Because he'll send me down the answers
And he'll always be MY DAD*

*I Love You Pops.
Your Only Son*
