

Remember Me As Ree-Lee

Don't remember me with sadness,

Don't remember me with tears,

Remember all the laughter,

We've shared throughout the years.

Now I know I had some crazy moments

and my life was worthwhile,

Every time you think of Ree-Lee

hold your head up and smile

When you are walking down the street, and you

got Ree-Lee on you mind Just know

I'm walking with you only half a step behind.

So please don't be unhappy Just because I'm

out of sight, remember that Ree-Lee is

with you each morning noon and night

Aah Ooh Skol

My Time Has Come

I know it's hard to say goodbye,

And you didn't want me to go.

If love alone could have saved me.

I never would have gone.

When tomorrow starts without me.

Don't think we're far apart

I may have left you physically.

But I never left your heart.

My time on earth has come to an end.

But my journey has just begun.

I know you'll never forget me.

You will hold our memories dear.

Goodbye for now, until we meet again.
