## *Obituary*

**Melba Annmarie Johnson**, mother to Cecil Alexander Hunte III, Manu Singh Johal, and me, Mya Cleopatra Singh-Johal.

As I sit back and reflect on my mother's life and her relationship with us, I can't help but think of her kind, loving heart. Our mother knew how to fill a room with joy, and she was not afraid to show her affection. It would be impossible to count how many times she would say "I love you" in a single day.

Our mom always worked hard to instill strong family values in each of us. No matter what, we knew we could always count on her to be there and push us to become better. She taught all three of us about the importance of working hard and striving for excellence. Despite all the trials and tribulations she has experienced in life, our mom always had God at the center of her life because she firmly believed all things are possible through the grace of God.

Mommy, we will miss your smile, your voice, your laugh, your hugs, your sage advice, and your bubbly personality. Your love was truly contagious. You are in a better place, and we know your arrival in heaven was a grand celebration. Your memory will live on in all of us, and in time, we will see you again. I love you, Mommy.

Melba leaves to mourn; three children, two grandchildren, four sisters, two brothers, nieces, nephews and families.

*Rest In Paradise Mommy*  
Living God, although my tears are  
flowing, I feel blessed that when my  
mother took her last breath, she  
entered Heaven's gates. I miss her  
dearly, but I cling to your promise  
of salvation for those who place  
their faith in You. May she rest in  
Paradise until that final day when  
You return, and we are caught up  
into the clouds with You. Help me  
to honor her memory by living a  
life of selfless love and service.

*Amen.*

*Acknowledgements*

*The family wishes to acknowledge with deep appreciation  
the many expressions of love, concern and kindness shown  
to their family during this hour of bereavement.*

*May God Bless and Keep You!*
