Obituary

Robert was born to the late Georgianna & James Flaherty on August 1, 1957 in Misericordia Hospital.

As a child he was his own person and into just about any and everything that had to do with Pets and Boom Boxes.

Robert went to P.S. 103, John Phillip Sousa JHS & Samuel Gompers HS. Loved animals of all kinds, loved to break dance and DJ old school music. And break his little brother's toys. ☺ Favorite sibling; His Brother James J. Flaherty.

Robert was not married, however him & his partner Michelle were together 21 years before she departed earth. He had his last four children Georgianna James Jamarl & Malaysia with his soul mate.

He loved watching Boxing. Roy Jones was his favorite because it was Michelle's favorite. He loved watching Wrestling & she did too (WWE, smack down).

The hobbies they did together: enjoyed going for a nice stroll in the park or hanging/listening to music with friends since they basically had the same friends. They were together 24/7 like Frick & Frat. She always made him sit with her while she got tiny box braids. Completely inseparable.

Our Guy Favorite food: Pork Chops, he would even eat hot dogs straight out the pack, Sausages with sour krut, onions ketchup mustard.

He enjoyed hanging out with his friend Vivian Jackson, Malenna Walker & Lydia McNish. His Favorite Line was "Never Let the Left Hand Know What the Right hand is doing and Always Keep your Component Confused." Robert loved his Kung-fu movies they wouldn't be speaking a lick of English but he watched for the action & thrill of it. He loved playing solitaire on the computer/phone and Of course being on Facebook just commenting on everyone posts.

Favorite Drink: Water (and he actually felt faucet water was better than bottled water) King Cobra Beer & E&J. Always smoked his cigarettes around the whole house no matter how much we wished he went in the hallway lol.

Robert loved his gadgets. He had everything from VCR's, Turn Tables, Multiple Laptops Printers, you name it he had it. However, he loved his pets he had Python Snakes, Iguanas, Dogs, cats, gerbils, rabbits.. and would have them all at once if possible. At one point he did.

Robert is survived by his Children; Malaysia, Jamarl, James, Georgianna, Gloria, Tiwanna & Stephen. Pop favorite number must be 13 since there's 13 of us!! Grandchildren; Levar, Za'rriyah, Kahlani, Autumn, Christopher, Khloe, Aubrey & Mia. Siblings; James, Roslyn & Wendy. And so many cousins, nieces & nephews.

As well as a Ton of friends who eventually turned Family.

Robert was a devoted Father, Friend, Sibling you name it he was definitely your Go-To if you needed a good laugh, his sarcasm was out of this world and he will be remembered for it. He enjoyed being around friends and family but of course not without his Big speakers and music. Robert was full of energy and will be deeply missed.

When I Must Leave You

When I must leave you for a little while,
Please do not grieve and shed wild tears
And hug your sorrow to you through the years,
But start out bravely with a giant smile;
And for my sake and in Gods name,
Live on and do all the things the same.
Feed not your loneliness on empty days,
But till each waking hour in useful ways.
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near;
And never, never be afraid to die.
For I am waiting for you in the sky!

Acknowledgment

The family wishes to thank all of you for your prayers, messages of comfort and the many other acts of kindness shown during our hour of bereavement. May God continue to bless you in a very special way.
