Obituary

Kaitlin Antonia Lyttle was born on December 15th, 1994 in Brooklyn, New York to mother Jillian Gregory and father Kadee Lyttle. She was the older sister of Kadeen Lyttle.

Kaitlin grew up in Florida, first in Miramar and then in Clermont. She graduated in the top 25 of the class of 2013 of East Ridge High School. She then attended the University of Florida, graduating in the class of 2017 with a BS in Psychology. She went on to earn her master's in education from the same school, graduating in August of 2021.

Kaitlin loved animals and would often show up with various unexpected stray pets, such as rats, lizards, mice, hamsters, guinea pigs, crickets, and dogs and cats. She was an educator who was passionate about working with special needs and underserved children. Throughout high school and college, Kaitlin enjoyed being a part of the marching band, playing the flute, piccolo, and cymbals. In recent years, Kaitlin found a new love within the Twitch online gaming community, even becoming a casual streamer herself with many loving followers. She was passionate about her natural hair, gaining the title of "Sheabassador" as an ambassador for Shea Moisture Products. Kaitlin also enjoyed getting out and playing Pokemon GO, or staying in and watching her favorite anime, Naruto.

Kaitlin was an advocate for mental health and wellness, and she freely shared her own experiences to uplift others and end the stigma against seeking help. In June of 2021, Kaitlin moved back to her birthplace, New York City, to pursue her passion for education.

Kaitlin Antonia Lyttle lost her battle and gained her freedom on November 11, 2021.

She is remembered by her parents, sister, family members, and friends, as well as her loving dog Quilo.

Precious Memories

The Broken Chain

*We little knew that day, God was going to call your name.
In life we loved you dearly, In death, we do the same.
It broke our hearts to lose you. You did not go alone.
For part of us went with you, The day God called you home.
You left us beautiful memories, Your love is still our guide.
And although we cannot see you, You are always at our side.
Our family chain is broken, And nothing seems the same.
But as God calls us one by one, The chain will link again.*
