Obituary

As we come together here today still reeling from the shock of Randy's passing, we're reminded that life is not always fair. This experience has left us emotionally pained, in fact wounded deep to our souls. Within this unreal reality, we therefore strive to find peace and healing in the midst of this searing loss.

Randy Geffrand was born on June 20th 1990 in Orange, NJ. His life was cut short on November 1st, 2021. He's the first born and only son of Rhoda Jones and Raoul Geffrand. Rhoda migrated from Jamaica and Raoul from Haiti in order to have better opportunities.

Randy was on his way to achieving success. He obtained a Bachelor of Arts degree in Human Resources from the University of Phoenix. Given he's young, his career was just starting. He held several positions mostly with hospitals, however, most recently, he started working at Wonder Foods in Cranford.

Although Randy was not married, he had many friends because he was very personable. He had such a beautiful smile; his smile lit up a room. He had such a positive attitude. He was always a peace-maker. He was very caring; very close with his family. He loved playing jokes on his sisters. He would be the guinea pig for all Atacha's recipes. If he liked it, then Atacha would know it's good. He liked spending time with his sisters and his cousins whether listening to music, playing video games and/or playing basketball. Another thing- he loved sneakers - he had sooo many. Let us all remember and emulate his joyful spirit as well and be grateful that he made us happy.

Randy's passing shows us that life is very short. We need to learn from him and love each other, have compassion for one another, try to take advantage of all the opportunities that come our way and living life to the fullest with an open mind.

By being here today, we're offering support to Randy's family who still can't believe they're talking about him in the past tense. He's survived by his mother Rhoda, father Raoul, step-father Jasper, grand-mother Editha and grandmother Marie Anne, 3 sisters - Alecia, Kenisha& Atacha, 4 uncles, numerous cousins and friends.

From an author unknown, I saw a poem and I've doctored it a bit... I thought of you with love today, but that is nothing new. I thought about you yesterday and days before that too. All I will now have are memories, which are now a keepsake from whence will never part. You will always be in my heart.

You Meant So Much
By: Cassie Mitchell

*You meant so much to all of us
You were special and that's no lie
You brightened up the darkest day
And the cloudiest sky
Your smile alone warmed hearts
Your laugh was like music to hear
I would give absolutely anything
To have you well and standing near
Not a second passes
When you're not on our minds
Your love we will never forget
The hurt will ease in time
Many tears I have seen and cried
They have all poured out like rain
I know that you are happy now
And no longer in any pain.*
