I'm Free

*Don't grieve for me for now I'm Free.
I'm following the path God Laid for me.
I took his hand when I heard Him Call;
I turned my back and left it all.
I could not stay another day to
laugh, to love, to work or play.
Tasks left undone must stay that way;
I found my place at the close of day.
If my parting has left a void
then fill it with remembered joys.
A friendship shared, a laugh, a kiss,
Ah yes, these things i too shall miss.
Be noted burdened with times of sorrow:
I wish you the sunshine of tomorrow.
My life's been full, I savored much;
Good friends, good times, a Loved ones touch.
Perhaps my life seemed all to brief: Don't lengthen it now
With undue grief. Lift up your heart and share with me;
God wanted me now, He set me free.*
