Heaven Has Gained An Angel

As you complete this temporary journey
you have embraced our hearts
Yes we mourn but realize this is where your life
truly starts your smile sparkled greater
than silver and gold We're willing to let go of
your hand so that God can grab hold . We will
always love you as you have continued to love us
all we ask now is that you look down while you
are above us we are grateful that God put us in
the midst of your presence we breathe with your
memory and walk with your essence. The Lord is
our Shepherd He tends to us as sheep and mends
the hearts that are weak until one day we can
shake his hand and sit at his feet we don't think of
you as a loss to our family that remains We
cherish you as a beautiful angel that heaven has gained!
