Obituary

Diane Lynn Lenoir was born on November 16, 1945. She attended the New York City Public School System. At an early age, Diane loved the outdoors. She walked everywhere she wanted to go and when she wasn't speed walking she would be riding her 10 speed bike. Many people affectionately called her "Pepsi" because she loved drinking Pepsi Cola. She also loved arts & crafts, playing handball, taking thousands of pictures but hardly in any of them, but her favorite thing to do was play Pokémon on her Gameboy.

She was a great cook when it came to making soul food on the holidays. From preparing chittlins, candied yams, collard greens, stuffing and her famous homemade potato salad.

She was super friendly and would meet somebody everywhere she went. If she even said hi to a stranger it turned into an hour long conversation which meant she gained a new best friend. Her kindness will be missed by many.

Diane is preceded in death by her husband of 40 plus years, Alexander; her son, Waco, and great grandson, Adonnis. She leaves to cherish her memory: five children, Alexander Jr. of Ellenwood, GA, Alexandra of Bronx, NY, Demetria of Brooklyn, NY, Nancy of Bronx, NY and Alexis of Florida; sixteen grandchildren; eleven boys and five girls; one great granddaughter; one sister, Nancy Scannell of Queens, NY; and a host of friends whom she considered family.

Legacy of Love

A wife, a mother, a grandma too,
This is the legacy we have from you.
You taught us love and how to fight,
You gave us strength, you gave us might.
A stronger person would be hard to find,
And in your heart, you were always kind.
You fought for us all in one way or another,
Not just as a wife not just as a mother.
For all of us you gave your best,
Now the time has come for you to rest.
So go in peace, you've earned your sleep,
Your love in our hearts, we'll eternally keep.
