Forever In Our Hearts

Travis "PureMind" J. Dean was born May 5th, 1972 in Paterson, NJ to Barbara Dean and Lawrence Driver, Travis was always a spectacular individual.

As a lifelong Paterson resident Travis spent his life being devoted to family. He enjoyed the intricacies of critical thinking which is why he was an avid chess player and the simplicity of spending time with family and friends.

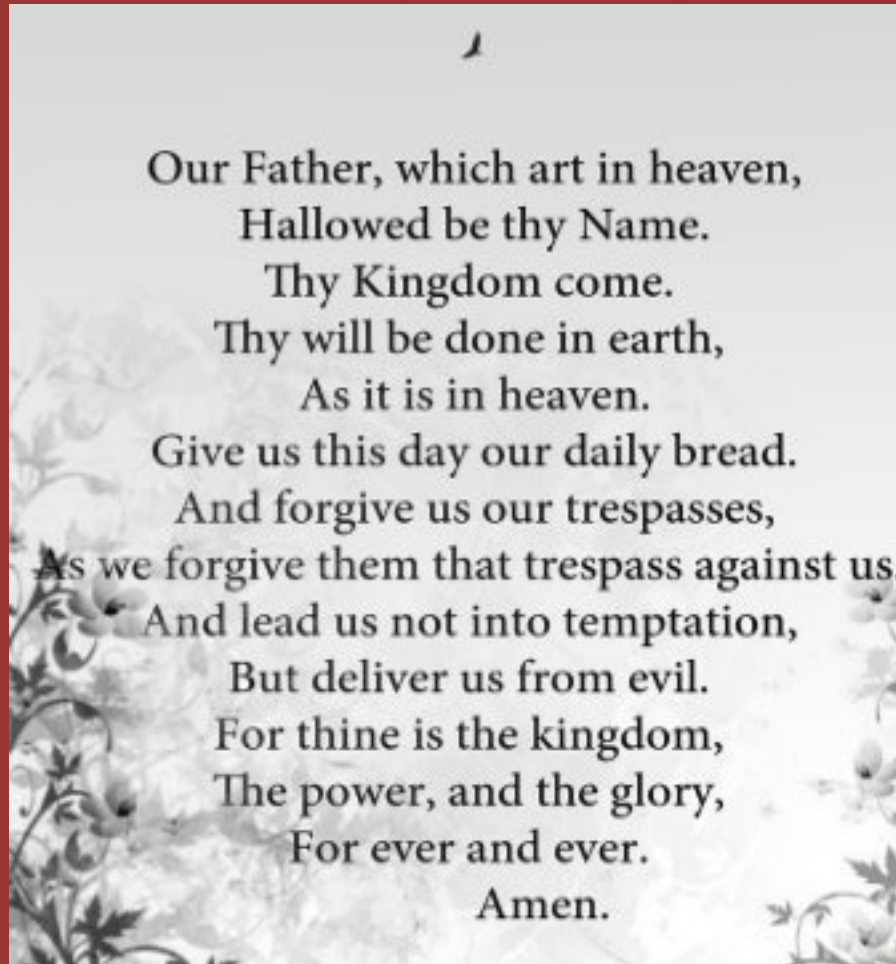

Travis enjoyed watching the NFL and took pride in rooting for the San Francisco 49ers as a hardcore fan. He was a devoted father and found so much joy in becoming a grandfather to his sweet A'Nyla. He spent many years of his life enduring the challenges of health obstacles but always made it his mission to look on the brighter side.

He was a gem. He will be missed by all those he met. He died Wednesday, December 8th, 2021 at New York Presbyterian Hospital surrounded by loved ones.

Travis is survived by his mother; Barbara Dean-Robinson, step-father; Milton Robinson, daughter; Lakia Forbes, son; Ameer Forbes, brothers; Lawrence Dean and Terrance Hand, sister; Latisha Dean-Swasey, fiancé; Stacey McCleod, granddaughter; A'Nyla Forbes, and best friend Hassel Williams. Travis leaves behind nieces and nephews, a brother and sister-in-law, and many cousins, uncles, aunts, and many friends.
