When Tomorrow Starts Without Me

When tomorrow starts without me, and I'm not there to see if the sun should rise and find your eyes, all filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say. I know how much you love me, as much as I love you, and each time that you think of me, I know you'll miss me too. But when tomorrow starts without me, please try to understand that an angel came and called my name, and took me by the hand and said, "my place was ready, in heaven far above and that I'd have to leave behind, all those I dearly love." But when I walked through heaven's gates, I felt so much at home. When God looked down and smiled at me, from His great golden throne. He said "This is eternity, and all I've promised you." Today for life on earth is past, but here it starts anew. I promise no tomorrow, for today will always last. And since each day's the same way, there's no longing for the past. So when tomorrow starts without me, don't think we're far apart. For every time you think of me, I'm right here in your heart.

He Is Gone

You can shed tears that he is gone, or you can smile because he has lived. You can close your eyes and pray that he'll come back, or you can open your eyes. And see all he's left. Your heart can be empty because you can't see him, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, are you can be happy for tomorrow because of yesterday. Can we remember him only that he is gone are you can cherish his memory and let it live on. You can cry and close your mind, the empty and turn your back. Are you can do what he wanted; smile Open Your Eyes Love and go on.
