

I'm Free

*Don't grieve for me, for now I'm free, I'm following the path God laid for me.
I took his hand when I heard his call, I turned my back and left it all.*

*I could not stay another day, To laugh, to love, to work, to play.
Tasks left undone must stay that way, I've found that peace at the close of the day.*

*If my parting has left a void, Then fill it with remembered joy.
A friendship shared, a laugh, a kiss, Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow, I wish you the sunshine of tomorrow.
My life's been full, I savoured much, Good friends, good times, a loved one's touch,*

*Perhaps my time seemed all too brief, Don't lengthen it now with undue grief.
Lift up your heart and share with me, God wanted me now, He set me free.*
