The God's Garden

God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough And
the hills were hard to climb.
So he closed your weary eyelids And
whispered, 'Peace be thine'.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.

**Well done, good and faithful servant. You were faithful
over a few things. I will make you the ruler over many
things. Enter into the joy of your lord.**
