*If tears could build a stairway, and memories a lane.
I would walk right up to Heaven and bring you back again.
No farewell words were spoken, No time to say "Goodbye".
You were gone before I knew it, and only God knows why.
My heart still aches with sadness, and secret tears still flow.
What it meant to love you - No one can ever know.
But now I know you want me to mourn for you no more;
To remember all the happy times life still has much in store.
Since you'll never be forgotten, I pledge to you today
A hollowed place within my heart is where you'll always stay.*
