# Obituary

Wilma Delores (Oliver) Smith-Muthee affectionately known as LoLo' was born November 26, 1946 to the late Letha Victoria Jones-Oliver and Joseph Clifford Oliver in Paterson, NJ.

LoLo was educated in the Paterson School System, attending PS#4, 12 and Central High School. She was proud to be a Patersonnian.

Wilma was employed by the City of Paterson Community Housing Improvement until retirement, prior to that she was employed with Toys R Us as an In-House Auditor in Wayne, NJ. LoLo was a master cook and was always in the kitchen preparing food for her family, friends and even strangers. Nothing gave her more joy than to feed people. If you had a favorite dish, all you had to do was call LoLo and ask her to make it and without hesitation your request was granted. She enjoyed family gatherings, playing games, eating, talking and laughing (all of this will be deeply missed): Not only did she feed her family, but her door was always open for her children's friends, her friends and their children as well. LoLo felt no one should go hungry or without a place to sleep. She opened her home to anyone needing a place to stay. Yes, she was a genuine angel, LoLo did it all with a smile and never complained, it really made her happy. She welcomed everyone with a warm smile and open arms, never had a bad word to say about anyone, always had a positive outlook and showed no favoritism. Everyone was special to her in their own way. She was a proud sister, mother, grandmother, great grandmother, great-great grandmother, aunt, cousin and friend. There is no one like her and this love and compassion will be missed, especially her macaroni and cheese.

Let's not forget how she loved music and to dance, doing her best moves in her chair, but once she and Las got on the dance floor there they stayed.

She was preceded in death by her mother, Letha, father, Cliff, former husband, Richard Smith, two sons, Darryl and Dyrick Smith, sisters, Pearlene Oliver-Ward, Rebecca Helen Oliver-Shivers, brothers, JC Oliver and Glen Prevard.

Wilma Delores 'LoLo' (Oliver) Smith-Muthee will be truly and painfully missed by Eliud (Reuben) Muthee, her seven remaining children, Darren Oliver (Paterson, NJ), Daneen (Malik) Muhammad Walton (Newark, NJ), Darnell Smith (Fort Worth, Texas), Marcel Smith (Grand Prairie, Texas), Cornell Smith, Eliud Muthee (both of Arlington, Texas), Lachelle Tiffany Muthee (Paterson, NJ), companion of 37 years Lascells (Las) Clough, siblings, Letha Oliver Veal (Paterson, NJ), brother, Donald Oliver (Paterson, NJ), Diane Oliver-Conley (Temple, PA), daughter-in-law, Charlita Rogers-Smith, thirty grandchildren, thirty-two great-grandchildren, two great-great grandchildren, a host of nieces, nephews, cousins and friends.

This is not goodbye - will see you on the other-side.

## *Farewell Dear Mother*

*Somewhere in our hearts beneath all our grief and pain,  
is a smile we still wear at the sound of your dear name.*

*The precious word is "Mother", she was our world you see,  
but now our hearts are breaking cause she's no longer here with us.*

*God chose her for His angel to watch us from above,  
to guide us and advise us and know that we're still loved.*

*The day she had to leave us when her life on earth was through,*

*God had better plans for her, for this, we surely knew.*

*When we think of her kind heart and all those loving years,*

*our memories surround us and we can't hold back the tears.*

*She truly was our best friend, someone we could confide in,  
she always had a tender touch and a warm and gentle grin.*

*We want to thank you Mother for teaching us so well,  
and although the time has come that we must bid you farewell,  
we will remember all you've taught us and make you proud you'll see.*

*Thank you Dear Mother for all the love you showed us.*

*Although you've left this earth and now you've taken flight,  
we know that you are here with us each morning, noon and night.*

*Love and in our hearts forever, until we meet again.*

*Your Children*

# *To Our Sister*

*We're blessed to call you sister,  
We also call you friend,  
You've loved us unconditionally,  
And stood through thick and thin,  
You've shared our joys and sorrows,  
Our laughter and our tears.  
You've been our inspiration,  
As we grew up through the years.  
When we were little children*

*We laughed and played together.  
Then growing up you stood by us,  
Through good and stormy weather.  
There's something God has given us,  
That's more than family.  
He's placed a love for you, our Sister,  
Deep down in the heart of us.  
We will miss you but forever love and  
remember you.*

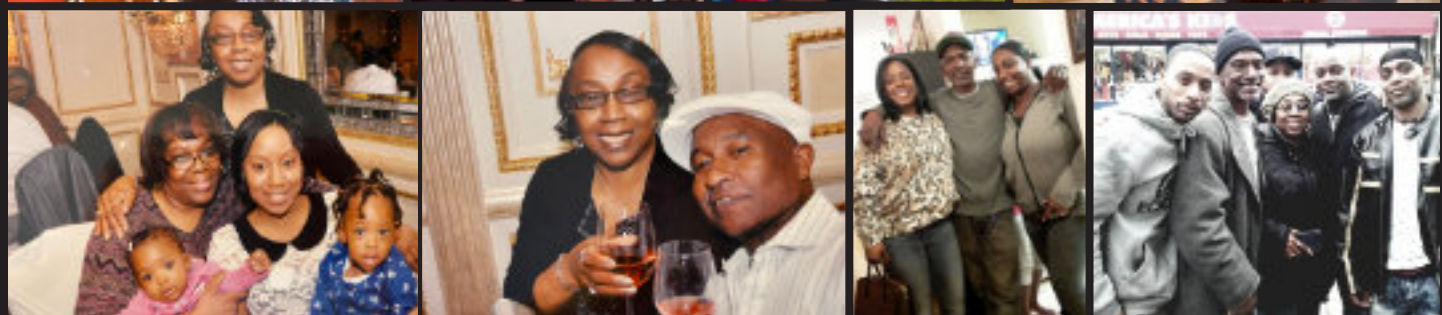

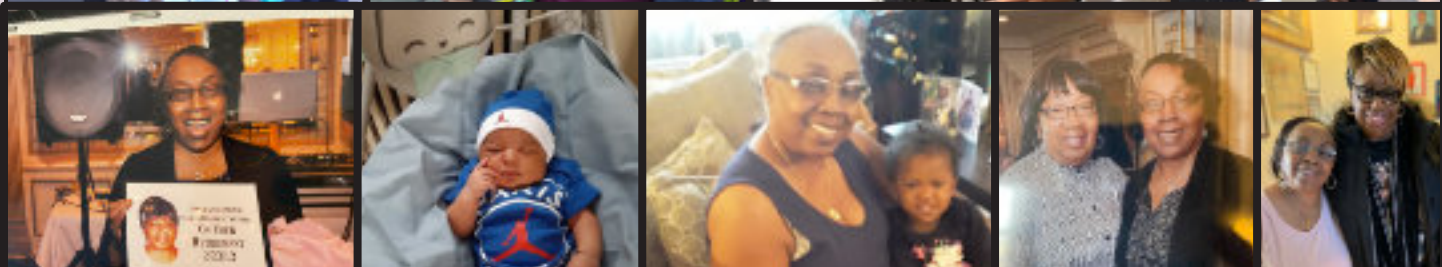

*Letta, Donald and Diane*

## *To My Loved Ones*

Life is but a stopping place, A pause in what's to be,  
A resting place along the road, to sweet eternity.

We all have different journeys,  
Different paths along the way,  
We all were meant to learn some things,  
But never meant to stay...  
Our destination is a place,  
Far greater than we know.  
For some the journey's quicker,  
For some the journey's slow.  
And when the journey finally ends,  
We'll claim a great reward,  
And find an everlasting peace,  
Together with the Lord.
