## *As I Sit In Heaven*

As I sit in heaven and watch you, everyday  
I try and let you know with signs, I never went away.  
I hear you when you are laughing, and I watch you as you sleep.  
I even place my arms around you, to calm you as you weep.  
I see you wish the days away begging to have me home.  
So, I try and send you signs, so you know you are not alone.  
Don't feel guilty that you have life. Life that was denied to me,  
Heaven is truly beautiful, just wait and see!  
So live your life, laugh again, enjoy yourself, be free.  
Then I'll know with each breath you take you'll be taking one for me.

## *Thank You*

Your words have comforted us, your support has strengthened us, and your love has sustained us. We extend our deepest thanks to you for your kindness during our greatest sadness. We appreciate it more than words can express and it will always be remembered.
