# *Signs of the Time*

## Introduction:

My name is Edward, Edward Taylor...It is the name that was given to me at the time of my birth and for most of my life, it is the name most people know. I was born in Bainbridge, Georgia, the year 1933... mother's name was Essie M. Curry. My grandmother, Ella Curry were common folk (people) she was the mother of six girls and 2 boys... When I was 3 maybe 4 years our family moved to Florida, St. Petersburg, Florida. Most of my early years was spent in Florida... You might say I was a Florida boy that is until I left Florida to go to NY. NY was the city every young boy dream about... I guess by now you are wondering why all the big introduction... You might call it a get to know you...

It is my intention who will read this book will understand the important revelation that is being given...I am not looking for fame. The message that was reveal is common knowledge for any one who study the Bible and have the wisdom to interpret. It is not hard when the symbol are translated correctly.

The Ancient Egyptian wrote in symbol and so did the Hebrews and the Greeks. It is true also we must be taught in order to learn. This argument cannot be denied. Jesus taught his disciple for 3 years but they could not grasp the true meaning of His teaching. No, not until He was resurrected. His comment to them was "you do understand everything I am telling you now, but when I leave I will send you the Holy Spirit and He will bring all thing to you, and you will know the truth for He will testify for me." It is so that in these last days, the Holy Spirit is still working and witnessing the Acts of Redemption: The Messiah is returning soon. Amen, and he has given us signs. These signs are written from Genesis to Revelation: It is important for every one to know. This is why I have decided to write the book and reveal the signs of the times.

Many of the churches have missed the mark, the signs and the messages. Some have walk away completely because of a lack of understanding and knowledge. I believe every one should know about the End Time. The time when God take back the control he gave to mankind, as it is written "Thy Kingdom Come, Thy Will be done on Earth, etc. Amen.

# *He is Mindful Of His Own*

*I know not what the year will bring,  
But this I know, my heart will sing;  
For He who gives the gift of years has  
power to still my doubts and fears.  
And if the way be dark or fair, I shall  
not doubt God answers prayer.  
Though I may walk the depths, of night,  
His lamp of Truth shall give me light.  
To me there is no foreign land, For  
with me is His guiding hand.  
And God, Who heeds the sparrow's  
fall, will always answer when I call.  
I shall go forward, upright, free; For  
He will walk the way with me.  
I leave this year with God alone, For  
He is mindful of His own.
