## *Obituary*

**Georgi Anna Olivero**, born January 1, 1942 in Germantown, Pennsylvania, the cherished daughter and first of four children to the late Thalease and Anna McMichael. She made her transition on January 16, 2022.

Georgi came to New York in 1947 at the age of five with her mother, while her father served in the United States Navy. Georgi was always a loving and caring individual. She loved and cared for many people in her life. This love started at an early age, and carried on throughout her life. Georgi helped raise her brothers and sister while her parents worked to support the family.

Georgi was educated in the New York City Public School system. While walking to school she met a boy named Jose. Little did she know he would become her husband and together they would raise many children. In 1976, Georgi moved her family to The Bronx, where they reside today.

Georgi worked for many years as a manager for Kentucky Fried Chicken. Though she worked, she never lost site of her priority, which was her family. Georgi took pride in all her roles in life, mother, wife, manager, friend, but more so as a devoted Sister of the Eastern Star.

Georgi was an angel on Earth sent to guide and exemplify the true meaning of unconditional love. Her humanitarian virtues will stay with us forever. God has blessed each of us with a special relationship with Georgi, which we will pass on for generations.

Georgi was predeceased by her husband, Jose; sister, Regina; brothers, Thalease Jr. and Jeather; parents, Thalease and Anna; and sons, Gentry and Darryl. She leaves to cherish in her memory: her daughters, Victoria, Graciela, Pleshette and Tiffany; sons, Guillermo and Steyvon; son-in-law, Talib; sister-in-law, Ana; grandchildren, Regina, Equillermo, Sesar and Spencer; eight great-grandchildren; and three great-great grandchildren.

## *To Those I Love and Those Who Love Me*

When I am gone, release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears, be happy that we had so many years. I give you my love, you can only guess how much. Know that you gave me so much love and happiness. I thank you for the love you each have shown; but now it's time I travel alone. So grieve awhile for me, if grieve you must, then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart. So, know that I'll be near and if you listen with your heart you'll hear all the of my love around you soft and clear. And then, when you must come this way alone, I'll greet you with a smile and say "Welcome Home".

## *Acknowledgement*

***The family of Georgi Olivero wishes to express our sincere thanks for the flowers and other expressions of love during our time of bereavement.***
