

Loving Memories of A Special Son

*To lose someone so special
Is really hard to bear
It hardly seems believable
That you're no longer there*

*You left us far too early
Before your time, it seems
And now you'll never have the chance
To fulfill all those dreams*

*However hard it is though
We'll take comfort in the thought
Of all the memories we have
And the happiness you brought*

*You always lived life to the full
But ours won't be the same
Until the day when we can see
Your smiling face again.
Love Mom*

10yrs just not enough
 To have your dad 10yrs just not
 enough. Strangers coming up saying
 you good lil Rah, u gotta be tough.
 Joking, laughing, smiling at grandma's
 party, is when I saw you last.
 And now I'm only left with special
 memories of our time
 together in the past.
 10 yrs just not enough!
 Anything I asked for you mostly
 v-bucks you gave and more.
 To sending me headphones
 that Friday before.
 I know I'm gonna have some sad,
 not so good days.
 Like hearing my mom say
 Quest you got your father ways
 Those are the moments when I might
 snicker, smile or even cry.
 But in my heart and mind is where you
 will live, loved, cherished and missed
 and there you will never die.
 Oh god I'm gonna miss my
 dad this is gonna be rough.
 10yrs is was just not enough.
