Ad-Dhuha

In the name of Allah, the Beneficent the Merciful
By the morning hours

And by the night when it is stillest

Thy Lord hath not forsaken thee nor doth he hate thee

And verily the latter portion will be better for thee than the former

And verily thy Lord will give unto thee so that thou wilt be content

Did He not find thee an orphan and protect (thee)

Did He not find thee wandering and direct (thee)

Did He not find thee destitute and enrich (thee)?'

Therefore the orphan oppress not

Therefore the beggar drive not away

Therefore of the bounty of thy Lord be thy discourse
