# Life Reflections

***“For God so loved the world, that He gave His only begotten Son, that whosoever believes in Him should not perish but have eternal life.”***

**Darryl E. Smith**, son of the late Willie J. Smith and Mamie L. Andrews was born on July 18, 1968 in Queens, New York. He received his formal education in the Public Schools of the New York City Department of Education and graduated from Stevenson High School in 1986. Darryl or “Dee” as he was affectionately called, was loved by all. After graduating Dee enjoyed life to the fullest with playing basketball and handball.

Darryl was employed at Breaking Ground for over 15 years. His talents and skills reached far beyond the job he was formally trained to do. Darryl's desire to help others was evident until the end.

On January 17, 2022, God who is the Maker of all creation, whispered softly to Darryl E. Smith, “Come unto Me and take your rest”, at Calvary Hospital, Bronx, New York.

He leaves to cherish his precious memories: his mother, Mamie Andrews; his step-father, Abraham Fisher; his sister, Shanise Smith; his fiancée, Angela Quintana; his step-kids, Simone, Jacenia, Anthony and Edwan; his nephew, Quandell Smith; nieces, Dymond Smith and Ashley Smith all from Bronx, NY; along with a host of aunts, uncles, cousins and other loving relatives and dear friends. All of whom share the grief caused by his early departure, but rejoice that he is resting with the Lord. Not only does Darryl leave behind memories with family, but also friends that he came in contact with that he considered family.

## LOVING TRIBUTES

### A Tribute to My Son,

THIS is for someone wonderful as loved as one could be, for you were everything in life. You meant the world you see. And sometimes life can be unkind, when hearts are torn in two, but nothing ever could compare to the pain of losing you. But all the love you left behind, forever will live on and so until we meet again. Rest peacefully, dear son.

~Your Loving Mother

I hold onto our memories, the ones that are so dear. To try to keep you always close. Now you are not here. You were called, it was your time. But it is so true, you have left a legacy. There was no one like you, you were very special and I want to say, I feel lost in many ways, you are not here today. But I will never forget you and I know I have been blessed to have you for my brother because you were the best. ~ Your Loving Sister

### My Dear Fiancé,

We had our moments together and it was a wonderful experience. I appreciate the love you gave me and the kids. The day God called your name it broke me completely, but heaven needed an angel like you. I honestly just wished it could have waited and let you stay with me. You have left memories in my heart that will always be there. I wish we could rewind the clock. Wish I could have hugged you one more time before you had to go. No matter how much time will pass, I'll miss you everyday. My six word love story: I Can't Imagine Life Without You. ~ Love, Angela

We will always have you in our hearts and forever be thankful for you showing us what a father figure is and being the perfect father for us. You taught us to always go for what we want. Seeing you leave so soon brought tears to our eyes and split our hearts into two. Remembering you is easy, but missing you is a headache that will never go away. We hold you tightly in our hearts and you will remain there forever. ~ Love, Jorge, Jacenia, Anthony and Edwin.

### Tribute To My Loving Family,

"When tomorrow starts without me and I'm not here to see, if the sun should rise and find your eyes are filled with tears for me, I wish so much you wouldn't cry the way you did today. While thinking of the many things we didn't get to say, I know how much you love me, as much as I loved each and everyone of you and each time you think of me I know you'll miss me too. When tomorrow starts without me don't think we're far apart, but that I'm forever right there in your hearts." ~ Love, 'D'
