TO THOSE I LOVE

When I am gone, just release me, let me go so I can move into my after glow. You must not tie me down with your tears, let's be happy that we had so many years. I gave you my love, you can only guess how much you gave me in happiness. I thank you for the love you each have shown, but now it's time I traveled on alone. So grieve for me for a while, that we must part, so blessed the memories within your heart. And then, when you must come this way alone, I'll greet you with a smile and a "welcome home".
