

## *If Tears Could Build A Stairway*

If tears could build a stairway,  
and memories a lane.  
I would walk right up to Heaven  
and bring you back again,  
No farewell words were spoken,  
No time to say "Goodbye".  
You were gone before I knew it,  
and only God knows why.  
My heart still aches with sadness,  
and secret tears still flow.  
What it meant to love you -  
No one can ever know.  
But now I know you want me  
to mourn for you no more;  
To remember all the happy times  
life still has much in store.  
Since you'll never be forgotten,  
I pledge to you today~  
A hollowed place within my heart  
is where you'll always stay.

Love,  
Mommy

*To my Husband Darien!*

I love you more than life itself! I thought we would be together forever but God obviously had other plans for us! You the only man I've ever loved to this capacity, and I thank you that you left me a piece of you, with Ah'Mari, Darien, and our other blessing! Darien you broke my heart with your passing but I know God makes no mistakes and I just want you to know that I will do everything in my power to remind your children how much you loved them! I knew how much you loved me you reminded me every day! I love you I love you I love you! And I'll see you on the other side my love! From your wife Mrs. Harris!
