

*Those Special memories of you  
 Will Always bring a smile  
 If only I could have you back  
 For just a little while  
 Then we could sit and talk again  
 Just like we used to do  
 You always meant so very much  
 And always will do too  
 The fact that you're no longer here  
 Will always cause me pain  
 But you're forever in my heart until  
 we meet again.*
