# I'm Free

Don't grieve from me for now I'm free. I'm following the path God Laid for me .

I took his hand when I heard Him Call; I turned my back and left it all.

I could not stay another day to Laugh, to love to work or play.

Task left undone must stay that way; I found my place at the close of day.

If my parting has left a void, Then fill it with rmebered joys.

A friendship shared, a laugh, a kiss, Ah yes, these things I too shall miss.

Be noted burden with times of sorrow: I wish you the sunshine of tomorrow.

My life's been full, I savored much; Good friends, good times, a Loved ones touch.

Perhaps my life seemed all to brief: Don't lengthen it now, With undue grief.

Lift up your heart and share with me; God wanted me now, He set me free

**Benediction written by "Kippy"  
November 19, 2001**

As we depart from one another, May God Bless us and help us into his gracious protection we commit ourselves. May he be near us to defend us, with us to refresh us, around us, to preserve us, before us to guide us, behind us to justify us and above us to bless and help us from all evil. Amen.....
