“Prayer of Comfort”

Don't Grieve for me.

For now I'm Free

I took his hand

When I heard him call

I turned my Back and

Left It all, If my

Parting has left a void

Then fill it with

Remembered Joy”.

Sadir would come home and say to his parents he didn't have a good day in school before the teacher would "DoJo " his parents. He was known for his random hugs and kisses or just sitting close to you any chance he could get. Sadir's special gift was correcting his own mistakes.
