# *I Know You May Be Sad*

*I know you may be sad, because you are missing me  
But think of all the great times, you and I were able to see  
God called my name, to finally go home  
But He left my memory with you, so you don't have to be alone  
Joy will come in the morning, when the sun shines  
Keep your eyes to God, and everything will be just fine  
I know you will miss me, and I will miss you too  
I know that you love me, just as much as I love you*
