Waking up everyday is no longer my daily routine. Watching over you is my newest task.

The choice wasn't easy. But God called for me.

What about my family and loved ones? I asked.

God said where I'm going I can still see them.

To understand that my earthly body is finally at rest.
And everlasting love is eternal.

For all the sadness & sorrow will pass.
There's an abundance of happiness & joy to be had.

The tears will wash away into laughs.
God's comforting hugs will help the pain to surpass.

Being a son, brother, husband, father, uncle, grandfather,
cousin and friend for over 60 years was perfectly put place by God.

Every memory of me lives on in each person's heart that I love.

During my lifetime as well as in heaven above .

Now I'm a guardian angel.
I have joined my parents and daughter, and others too.

Doing some of God's work is just one of the greatest
jobs God can assign.

To be blessed to have lived and now to live
forever in your hearts, is God's best design.
