

Precious Memories

Husband

Celebration of Life for

What a life we've spent together
The good times and better
When I needed a safe place to go you became my shelter
I know that God needed you
and so I won't be too sad today
The love you left in my heart will never go away
I was blessed to be your wife
So many memories we shared
The tears that fall down my face
Are comforted by the thought of you being here
The road without you won't be easy
But I'll continue to walk down this path
The sadness I feel in my heart
Will soon come to pass
So, my dear husband
I will miss you so
I'll see you one day soon
When it's my time to go.
