Dad as we look back over time, we find ourselves wondering... Did we remember to thank you enough, for all you done for us and for all the times you were by our side, to help and support our success and to understand our problems and our defeats. Thank you for teaching us the value of hard work, good judgment courage and integrity. We thank you for the sacrifices you made to let us have the very best, and for the simple things' laughter, smiles and the and the good times we shared. Dad, we thank you and love you, you will always be truly missed and we just thank for the great memories that we shared.
