Her Journey's Just Begun

Don't think of her as gone away

her journeys just begun.

Life holds so many facets, this Earth is only one.

Just think of her as resting from

the sorrows and the tears

in a place of warmth and comfort

where there are no days and no years.

Think how she must be wishing that we could know today, how

nothing but our sadness can really pass away.

And think of her a living in the hearts of those she touched. For

nothing love is ever lost and she was loved so much.
