

T o K areem:

*When tomorrow starts without me, and I'm not there to see
if the sun should rise and find your eyes, all fill with tears for me
I wish so much you wouldn't cry, the way you did today
While thinking of the many things, we didn't get to say.
I know how much you love me, as much as I love you:
And each time you think of me, I know you'll miss me too.*

*But when tomorrow starts without me, please try to understand
That an Angel came and called my name and took me by the hand.
And said my place was ready, in the heaven far above
and that I'd have to leave behind, all those I dearly love.*

*But as I turned to walk away, a tear fell from my eye
For all of life I'd always thought, I didn't want to die
I had so much to live for, So much yet to do,
It seemed almost impossible, that I was leaving you.*

*I thought of all the yesterdays, the good ones and the bad;
I thought of all the love we shared, and all the fun we had.
If I could relive yesterday, just even for a while
I'd say good-bye and kiss you and maybe see you smile*

*But when I fully realized that this could never be,
For emptiness and memories, would take the place of me.
And when I thought of worldly things, I might miss come tomorrow
I thought of you, and when I did, my heart was filled with sorrow.
But when I walked through heaven's gates, I felt so much at home
When GOD looked down and smiled at me from HIS great golden throne.*

*He said, "This is eternity, and all I've promised you.
"Today for life on earth is past, but here it starts a new.
I promised no tomorrow, but today will always last,
And since each day's the same day, there's no longing for the past.*

*But when you have been faithful, so trusting and so true;
Though there were times you did some things, you knew you shouldn't do.
But you have been forgiven and now at last you're free
So won't you take my hand, and share my life with me
So when tomorrow starts without me, don't think we're far apart
For every time you think of me, I'm right there in your heart.*

The family acknowledges with deep appreciation all acts of kindness extended to them during this bereavement hour. May God bless you for all your thoughtfulness and concern.

*A heart of gold stopped beating
Two shining eyes at rest
God broke our hearts to prove
He only takes the best.*

*God knew you had to leave us
But you didn't go alone
For a part of us went with you
The day He took you home.*

*You told Him you were tired
God knew just what was best
He whispered softly to you
"Come home Kee and rest".*

I am the resurrection, and the life. He that believes in me, though he were dead, yet shall he live. And whosoever lives and believes in me, shall never die.
