Obituary

Dawn Angela Lewis, age 52, was a loving mother of two, and an adoring sister to four siblings. Dawn was born in the summer of June 22, 1971, in the buzzing of East Harlem surrounded by her large Guyanese family. Dawn was a loving woman who wore her heart on her sleeve and always gave her time to others which she incorporated into her motherhood.

Dawn transitioned on December 20, 2023 after a long and courageous battle with lupus. Without a doubt Dawn was a Warrior! As a single mother she was generous, kind and loving, and her children was her world. Her unconditional love reflected within both of her children. Indeed, she was tough but still a friend to her children and would not shy away from her honesty. In her free time Dawn loved going by the water and escaping the world around her. She believed in her spirituality heavily and exuded that daily. Dawn will be greatly and deeply missed by her family and especially her two children, Ashley and Henry who adore her with all their hearts.

We know that you are not with us in physical form, but we're comforted knowing that we gained a new guardian angel to watch over us. Farewell to a mother, a sister, a warrior, and a beautiful friend.

Father in heaven, we praise your name for all who have finished this life loving and trusting you, for the example of their lives, the life and grace you gave them, and the peace in which they rest.

We praise you today for your servant Dawn Angela Lewis and for all that you did through her. Meet us in our sadness and fill our hearts with praise and thanksgiving. For the sake of our risen Lord, Jesus Christ.

Amen.
