I Know You May Be Sad

I know you may be sad
Because you are missing me
But think of all the great times
You and I were able to see
God called my name
To finally go home
But he left my memory with you
So you don't have to be alone
Joy will come in the morning
When the sun shines
Keep your eyes to God
And everything will be just fine
I know you will miss me
And I will miss you too
I know that you love me
Just as much as I love you
