Mother

A mother means so much to a child in need of love
I thank you for being all of what I needed
Beautiful like a morning dove
A mother is always there when she's
needed and can't be replaced
That's who you are, and I will miss your smiling face
My mother is someone who not only gave me life
But she fought all my battles with me
and my continued strife
I am happy she's getting her rest
She's given her best
God saw my mother getting tired
And she passed the test
To return home
Oh, what a blessed day
Rejoicing for my mother's calling
Although I wished she could stay
But saying goodbye isn't forever
I know I will see my mother again one day
