Remember Me

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years,
Now I am contented,
That my life it was worthwhile
Knowing that I passed along the way
I made somebody smile,
When you are walking down the street
And you've got me on your mind
I'm walking in your foot steps,
Only half a step behind,
So please don't be unhappy
Just because I'm out of sight,
Remember that I'm with you
Each morning, noon and night.
