Obituary

Charles Joseph Smith was born on September 1, 1959 to Alfred and Bessie Smith (both preceded him in death).

His early education was acquired through the New York City Public School system. In order to further his education, Charles enrolled at City College. He later transferred to TCI (Technical Career Institutes) where he received his Associate Degree in Occupational Studies Electronics Engineering Technology in 1982. His love along with his expertise of computer technology, software and programming allowed him the opportunity to be employed by Raritan INC, in Somerset, NJ as a System Test Engineer; Nextiraone Federal in Herndon, VA as a Network Technician; and TechnoStaff LLC in Fairfield, NJ as a Tech/Computer Support Analyst.

Charles was a very simple as well as private person. He was not one to do a lot of socializing or deal with a crowd of people. He found joy in reading articles in the New York Times along with a good book. It meant a lot for him to be able to keep connected with family by calling on the phone or by visiting.

On Friday, August 29, 2025, Charles privately passed away.

Charles was loved and will be remembered by: his sisters, Rubie Harrington of Roosevelt Island, and Theresa Smith of New York City; nieces, Kelena Smith (James), Andrea Hart, Stephanie Stevenson, Sheneta Stevenson and Teresina Harrington; nephews, Calvin Smith (Danielle), Demetrius Smith and Jerel Paul; a host of grandnieces and grandnephews, and fellow residents of the building that Charles lived in; and former co-workers.

We love and shall miss you Brother and Uncle!
Memories of you shall forever remain within our hearts. ❤️
